STEP 3: ACCESS THE NETGALLEY E-VERSION WHEN AVAIL (late January or early February) or REQUEST ONE OF THE PRINT ARCs. There are only 70 ARCs available, but many copies of the e-galley. You can register for a NetGalley account at NetGalley.com. If you don't have an ereader and we've run out of the print ARCs, you can download a free Kindle app and read the manuscript on your computer or smart phone.

(Note: You can copy and paste your review for all 3 sites; a review is best if it's just 3-5 sentences of what you liked best about the book, without spoilers—don't tell them what happened!! There's no need to summarize the book. Reviews cannot be posted until right before release—we'll email you when the gates are open.)
